

AMENDMENTS TO THE ABSTRACT:

Please add an Abstract as new page 115 to read as follows:

-- **SUBSTITUTED HETEROCYCLYPYRIMIDINES**
 ABSTRACT OF THE DISCLOSURE

The invention relates to substituted heterocyclylpyrimidines of formula (I)

in which n is 0, 1, or 2, R is hydrogen or fluorine, and X, Y, and Z are as defined in the disclosure,

to a method for their production, and to their use as pesticides. --
